The dwarf
wants his house
back and with the
mortgage paid!

Please

At 12:30 AM,

be completely
blocked

Until then, let your mind settle down here!

It will be okay!
You'll get used to it!

She's the same as me...

Then, why did you join?

You could say...
I hate gambling.

Thank you very much.
I'm not very good at games...

Is that so?
I can't see the clock, so...

Yes, some people are still in the salon.

well...

I have
a huge
debt

of
about
9 Million
Yen...

I too
was relatively
unhappy about
joining the
game

Eh?

That's
not the
desired
behavior

We were
fundraising...
But that was
unsuccessful

My sister
has heart
disease
and she needs
100 Million Yen
for the
operation

However

I've never been
so intimate before

Yeah

Is

GUH!

THE
FIRST
ONE
WAS
ME!

SO
ALL
THIS
FOOD

IS
MINE,
EVERY-
BODY!

But
to be
distributed
in such a
manner ...

The food
arrives here
just after
the game
started?

I bet
it was
here since
the beginning!

Huhh?!

That's
this
guy!!

What good
would it be
if everyone
had to
share it?

Am
I
wrong?

Heck,
one guy
can't
even
eat..

.....

It is
just enough
for two
people..

?

You're
trying to
take it away
from me
by force?

*Do you
even want
to use
violence?*

Damn it!
Give it

Didn't
you agree
to do
that?

I was
lying...

Guh

I would
think you
would be
under a lot
of stress

Do you
really believe
you can fast
safely for
10 days?

You
liars!

I can
kill 5 people
easily and
quickly

Who...

Well, I
would be the
guy that would
take the
50 Million Yen
lost from one
person, right?

In
my
mind

No...
I can kill
everyone
if I want to!

I just
have to
choose the
person with
the
highest
prize money

Unless
it makes
it's return
!

!?

And to
be honest
I possibly
couldn't eat
all the food

...Well

However

Goat,
you were
planning
this from
the start!

Maybe
if you
give a
price

I will
give you
some of
the food!

!?

Of course,
it's going
to be
somewhat
divided!

I will
have some of
you sign a
pledge to give
me some of your
prize money
after!

Like
hell I
would!

Guh!

Although,
if any
women have
a different
way, I'll
gladly accept!

Bye!

See ya,
later!
I'll be
waiting
for your
call! ♪

**It's

force to
get your

Wh... What
are you
standing
there for?

You
definitely
deserve
violence

These
people do
not have
the learning
capability of
idiots

Get
out of
my way!

SHHHHHH

I'm not
going to be
taken by
your words

Kuku

WE
SHOULD
KILL
IT?

Bu

Buhaha
hahaha
hahaha!

Did he
say...

Did

But
we
can

Aren't
we using
it right now?
In this

What
the hell
are you
saying!?

Violence
is prohibited!
You can't
do anything!

Mental
attacks to
cause
physical
attacks...

Which
means...

We'll
use
foul

And
it will
